DRUPMA****THE PRAYER THAT SWIFTLY FULFILS ALL WISHES**

EMAHO

In the heart of a blossoming lotus, upon the waters of the lake,
You are the spontaneously accomplished deity,
The embodiment of the five buddha-bodies and five pristine cognitions.
O! great naturally arisen Padmasambhava, in union with consort,
Surrounded by clouds of dakinis—to you we pray:
Grant your blessing that all our wishes be quickly fulfilled!

As a result of our negative past actions, whenever we suffer
From illness, malevolent spirits and obstacles, warfare, violence,
famine, and starvation,
Then remember your promise that even simply to think of you will
immediately dissolve all such suffering.
We implore you, from the depths of our hearts, O Lord of Orgyen—
Grant your blessing so that our wishes be quickly fulfilled!

To practice devotion, discipline and generosity,
To free the mind through hearing the sacred teachings,
And to have dignity, self-control, and discriminating awareness—
Make these seven noble human qualities fill the hearts and minds
of all sentient beings,
And so bring peace and happiness to the world.
Grant your blessing so that all our wishes be quickly fulfilled!

When oppressed by illness, suffering and unwanted circumstances,
Falling prey to harm and obstruction from elemental and king spirits,
Threatened by fire, water and journeys of great danger,
When this life is spent and death arrives—at these times,
We have nowhere to turn except to you!
Care for us with your great compassion, O great Orgyen Guru!
Grant your blessing so that all our wishes be quickly fulfilled!
