

NSS Financial Aid Application

Last Day for Financial Aid Requests: JULY 1, 2017

Dear Financial Aid Applicant,

Please complete the following application and payment plan for your financial aid request for Nyingma Summer Seminar to be finalized.

We ask that each participant fully consider their personal finances and how they plan to relate to the program costs when attending the teachings. Every dollar of the proceeds from programs is vital in order for Mangala Shri Bhuti to support its teachers, make Dana offerings in India, support the infrastructure of Phuntsok Choling and cover all program expenses.

Please consider paying the program cost in full. You can pay what you are able to at the time of the program and then make sequential payments over the following months. You may take as much time as you need to complete payment and schedule the payments in a way that is most comfortable for you.

The cost of a program should never keep anyone from attending teachings, if you are not able to pay anything at the time of the program, please attend nonetheless; however, we request that you communicate to us in advance so that we may plan.
